Thank you!

Thank you for your contributions and ongoing support in partnership with our staff and students this term. Together, we have enabled tremendous successes, individual and collective achievements for our school community and growth for each child.

Our Year 7 cohort has settled in beautifully and they are already shining bright with their enthusiasm, investment in their learning and leadership and under the fabulous guidance of Mr Pillay and Ms Frew.

In this 11-week term, we have shared and celebrated school spirit in events such as Open Evening, Distinguished Achievers’ Assembly, Information Evenings for Year 7 and Year 10, P&C Election Fundraiser, Peer Support, Peer Tutor Reading Program, Elevate Education Study Skills Workshops, Wired Wellbeing Workshop, Parent-Teacher Interviews, Music Concert, Market Day raising $2800 for Westmead Children’s Hospital, Year 7 Camp, The Helmsman Project Launch and Adventure Experience, Swimming Carnival, Harmony Day, Athletics Carnival, Mock Trial and Knock-Out Competitions just to name a few!

We know, that working together as we do, we are positively impacting our community and for your extraordinary support, we thank you!

Enjoy the holidays with your families and please remember that school resumes for all STUDENTS on MONDAY 29 APRIL 2019.

Mrs Pikoulas
Principal
Deputies Report

Congratulations to the HSIE faculty for a fantastic Market Day!

Thank you to the parents and guardians that took time out of their busy schedules to attend Year 11 & 12 Parent Teacher meetings this week. This provides a vital link between our parents and teachers.

Winter Uniform

The majority of students are to be congratulated on the way their wear their school uniform with pride every day. In Terms 2-3, we wear our winter school uniform. For the junior girls, this means that you will now wear the skirt and blouse.

A reminder that hoodies and other sweat-shirts are NOT to be worn to school. The full Uniform Policy can be found in your Student Diary. If you need to purchase items from the Uniform Shop, it is open on Tuesdays and Thursdays plus you can order online.

TO ORDER UNIFORMS ONLINE

Go to: www.taleb.com.au
SHOP: Cumberland-high-school-uniform-shop

Mrs Ashton (acting Deputy Principal)
Ms Oliveux (Deputy Principal)

Entry and Exit to Cumberland:

Bus Bay (Dunmore Ave)

For the safety of students, their families and staff, please ensure that you are following all road signs around our Bus Bay area when dropping off and picking up students. No students are to be dropped off or picked up in the Bus Bay area. Please keep the turning circle clear.

Pennant Hills Road

Pennant Hills Road is a main road and students should cross at the lights for their own safety.
Market Day 2019

On Tuesday 2 April, our Year 9 Commerce and Year 11 Business Studies students took over the COLA with 32 Market Day stalls.

Year 11 had 18 stalls selling food, and Year 9 had 14 stalls holding competitions and testing skills. The purpose of the annual event is an assessment task to learn about the intricacies of small business from an idea through to implementation.

With $2900 raised for the The Children’s Hospital at Westmead, the day was a huge success all around with almost all stalls selling out of stock and the games were busy right though until the end of lunch. Great effort everyone!

ThinkUKnow Cyber Safety Information Evening

Cumberland High School will be hosting a ThinkUKnow presentation on Tuesday 7th May at 6:30pm and all parents and carers are encouraged to attend.

ThinkUKnow Australia is a cyber safety education program that educates parents, carers and teachers of how people are using technology, the challenges they may face online, and how to help them overcome these in a safe and ethical way.

ThinkUKnow Australia is a partnership between the Australian Federal Police, Microsoft Australia, Datacom and the Commonwealth Bank.

The program is delivered in collaboration with policing partners New South Wales Police Force, Northern Territory Police, Queensland Police, South Australia Police, Tasmania Police, Western Australia Police, as well as Neighbourhood Watch Australasia.

This is a fantastic opportunity for you to learn more about young people and the online environment, and how you can help them to be safe and responsible users of technology.

For more information, you can visit www.thinkuknow.org.au
Comfortable talking to your kids about technology and the internet?

A ThinkUKnow cyber safety and security presentation will take place on

**DATE:** 6:30pm Tuesday 7 May, 2019

**LOCATION:** Cumberland High School Auditorium

The session will cover:

- What young people SEE, SAY and DO online
- The challenges they may face
- How to report and get help if things go wrong

Visit www.thinkuknow.org.au for more information about online safety and security.
2019 Year 7 School Camp

In one of our largest attended camps for many years, 133 Year 7 students went to the Great Aussie Bush Camp at Tea Gardens. Supported by 8 of our fabulous Cumberland High School staff, the students undertook a range of activities including the giant swing, mud assault course and kayaking. The school disco was a big hit and the night commando saw students rescuing their peers from a dark forest. They were truly exhausted by the end of the camp.

Mr M Pillay
Year 7 Year Advisor
Community of Schools  
“Science Inspire program 2019”

Term 1 2019 at Cumberland High School, saw the restart of the successful “Science Inspire” program, now running into its fourth year. We have nine Primary Schools keenly participating in this first-hand Science investigating program, coordinated by Ms. Stead, sponsored by Mrs M Pikoulas (Principal) and supported by Mr Walford and Mrs Jenkins from Science staff.

This year welcomes 12 new student Science Team Leaders and in Term 1 they have been actively developing their scientific knowledge and skills. As leaders they will share their experiences and skills with many inquisitive Year 5 students each week.

As Science Team leaders they get to interact with individual primary students guiding them through their experiments and answering their many questions, about the science equipment and the experiments.

The “Science Inspire “program consists of specific syllabus topics in a four week unit with an emphasis on interaction. This experimental focus allows the students to complete activities that may not be possible in their own school and the students thrive on the chance to complete experiments in a laboratory.

Currently we are working on the topic of Working Scientifically this will be followed by, Material World which will contain a section on chemistry which the students always enjoy. The Science Team Leaders are active mentors and assist in the decision-making process of suitable activities. We review all activities for safety, level of engagement, learning and Scientific fun.

Welcome to The Cumberland Science Inspire Team for 2019: Cynthia Chen, Alwin Zhao, Hannah Smedley, Rebecca Edmonds, Erika Nguyen, Nihar Kadkol, Ingrid Yoo, Sion Lee, Sonya Duke, Charlotte Ballard, Michael Lape, Aditya Agnihotri, Husain Alhashemi, Rachael Edmonds, Sai Srimal Tadepalli, Olivia Skeoch, Yenna Ju, Jennifer Todorovski, Julia Mari Tapiador, Christy Jo Philip, Rowan Chate, Adwithiya Puri, Dev Chopra, William Smedley, Alex Warnecke and Manav Bansal may you all have a wonderful year and enjoy your many experiences!
**MOCK TRIAL WIN OVER NORTHMEAD!**

In Round One of the NSW Law Society of NSW Mock Trial competition, our Cumberland team hosted Northmead CAPAHS.

The Northmead team, coached by Renuka Senthe, were very raw and whilst they tried their best, they were no match for a well-drilled Cumberland team, who defeated their opponents by 70 points.

A special mention to our debutants: Harry Choi (Court Clerk) and Vedant Trivedi (Witness) who combined well with our experienced team members: Rachel Harkin and Adwithya Puri (Baristers), Dev Chopra (witness) and Taylor Barrientos (Solicitor).

Our next match is against Riverside Girls away in the first week of the next term.

All team members are to be congratulated for their enthusiasm and dedication. They trained on a Saturday and on several afternoons and at many lunch times.

Thanks also to Alan O’Shea, a former team member, for his support.

Mr Thomas
Mock Trial Coach

---

**WAUCHOPE VOLLEYBALL TRY-OUTS 2019!**

Try-outs will take place in the school hall on:

- **Wednesday May 1st** 7.30-8.30am
- **Wednesday May 8th** 7.30-8.30am
- **Wednesday May 8th** 2.30–3.30pm
- **Thursday May 9th** 3.00-4.00pm

Attending at least **TWO** trainings is essential for consideration in the Wauchope volleyball girls and boys squads.

Any queries – **see Mr Thomas**
Year 10 Geography Field Work Excursion

Friday 5 April 2019

Year 10 geography was recently given the opportunity to experience a field study in the Field Of Mars Environmental Education Centre at Blackman Park, near the Lane Cove River. This was part of an assessment task assigned to Year 10 which asked us to investigate the effects of human-induced and natural change and the sustainability of a mangrove based ecosystem. It was an engaging trip to the Environmental Education Centre as we were taken on a long walk through an unknown yet interesting environment in which scientific and observational tests were conducted in order to comprehend and thus complete the assessment task.

Geographic tasks and observations taken in this trip were Soil pH tests, which tested the acidity of different mangrove sites. Observations such as soil colour, texture, pneumatophore and crab abundance surveys were conducted in the mangrove environment. These were completed so that we could compare the extent of damage inflicted to a severely damaged environment and a living and healthy mangrove ecosystem.

Saisriman Tadepalli
Year 10 Student

SCHOOLS CUP VOLLEYBALL SUCCESS!!!

Cumberland entered teams in the Under 16’s division of the Schools Cup in Late March. Our girls were undefeated on the day and won the tournament! This is the first tournament win by Cumberland Girls in my time at the school. I’d like to thank Mrs Cassel for coaching / managing the team and I’m very proud of the girls for their efforts in this historic win!

The boys were undefeated in the preliminary rounds, but lost the final to a very good Chester Hill team. Thanks to Mr Jaunalksnis for coaching / managing the team.

It is the first final a Cobras team has made since 2015, when we won the Newcastle tournament.

For both the girls and boys volleyballers, we will now focus our attention on the Schools Cup towards the end of June, which will be ideal preparation for Wauchope. Again, great effort boys and super win girls!

Mr Thomas
Volleyball coach

Maryam Arpanahi Jocelyn Lay, Ellie Austin, Mikaela Licda, Ljubica Momcilovic, Hannah Fuji, Zenea Powell and Aisleen Lay.
PDHPE UPDATE

It has been very busy lately at Cumberland, as we have had many Knockout or Gala Day Sporting Teams representing us across a variety of sports. We are extremely proud of the efforts of all of the teams, as students demonstrated sportsmanship at all times and represented Cumberland with pride. It also worthy to acknowledge the fantastic efforts of all teachers involved in coaching and managing a Knockout or Gala Day team, without their invaluable time and passion, our students would not be fortunate enough to have so many sporting opportunities.

On Friday 29th March, Cumberland High also held the annual Cross Country event. Students trained for the event during PE lessons, and the top 20 boys and girls in each age group were selected to compete on the day. Excellent athleticism and determination was displayed by all involved. Successful students will now compete in the Zone Cross Country Carnival on Wednesday 8th May at Macquarie University Sporting Fields. Well done to all.
This week, we also had three of our Term 1 Grade Sport Teams represent Cumberland in the Summer Term 1 finals. The teams were the 15s girls netball A team against Greystanes, and both of the Opens Boys Basketball Teams, who versed Greystanes and Baulkham Hills. Unfortunately all teams lost, however, it was a fantastic representation of the passion and enthusiasm displayed by our students in relation to sport.

Term 2 is another eventful sporting term for the students here at Cumberland. On Friday 24th May (week 4) is the annual Athletics Carnival at Barton Park, North Parramatta. Students will be receiving a permission note with more details, in the first week back next term.

Starting week 1 next term is also the Grade Sport Winter Sports Competition, which spans over Term 2 and Term 3. Students will have the opportunity to represent Cumberland in a variety of sportings including Basketball, Soccer, Touch Football, Oztag, Volleyball and Ultimate Frisbee. We heavily encourage students to trial for and participate in a Grade Sport team, which enables them to compete against local schools in the area on a weekly basis. Grade sport students are also reminded of the importance of returning their permission and making their payment by the due date, to enable them to remain a member of the team.

Lastly, week 10 of Term 2 is the annual Cumberland vs Wauchope Sporting Event. The event will be from Wednesday 3rd July - Friday 5th July in Wauchope, and this year will mark the 44th year of the event. Trials and squad training sessions for the vast variety of teams is already underway, and the final team selection of 50 boys and 50 girls will be announced early in term 2.

Go Cumberland!

PDHPE DEPARTMENT FACULTY

Wauchope

Are you hoping to represent CHS this year at Wauchope?

To be considered you must:

- Ensure all of your assessment tasks are submitted on time.
- Be in full school uniform daily.
- Represent CHS with sportsmanship at all times.
- Conduct yourself in a responsible and respectful manner at all times.
- Commit to all training sessions in the lead up to the Wauchope event.

......For more regular updates and information in relation to the PDHPE faculty here at Cumberland, please follow us on Instagram......
The AI for Good Challenge is a powerful learning opportunity for Australian high school students to learn about AI, understand the ethics behind this technology and then dream up an AI solution to make the world better.

Students can submit ideas that make a difference in one of the following categories:

**ACCESSIBILITY**
Student’s AI concepts could help to amplify human capability for more than one billion people globally with a disability.

**EARTH**
Student’s AI concepts could help to solve global climate issues by improving environments, or by improving the way that humans engage with nature.

**HUMANITARIAN ACTION**
Student’s AI concepts could help to support disaster recovery, address the needs of children, protect displaced people, and promote human rights.

CUMBERLAND STUDENTS, ARE YOU READY TO BE INVOLVED IN THE CHALLENGE?

Where do I start?

Working in teams of 2 or 3, students need to dream up an AI concept that makes a difference under the categories of AI for Earth, Accessibility or Humanitarian Action. (They don’t actually need to code an AI algorithm or build a robot, we are just after their concepts!). An example might be proposing a smartphone app called ‘Wheel Cheer’ where an AI scans event websites in Australia, and then automatically informs subscribers to the app of fun events near them that are wheelchair friendly. (Remember if this was a student submission they wouldn’t need to build the app, just submit the idea!)

The judges then assess the student’s ideas, shortlisting the best submissions for state finals which are held in July, followed by national finals on the 16th of August.

What are you waiting for??
Library News

Year 7 have a Library Literacy lesson using the library website to locate resources, online eBooks and to renew books. Students have been encouraged to sign up for the Premier’s Reading Challenge. To complete the Premier’s Reading challenge a year 7-9 student must read 20 books before the 25th of August (15 from a prescribed list and 5 of their own choosing). Students may sign up via the DOE portal or on the Premier’s Reading Challenge website using their DOE username and password. Students simply log each book they read on the PRC website to gain their certificate at the end of the challenge.

Year 10 students have been shown the benefits of making their own study notes for each subject area. The students were reminded to be active in their study methods rather than just passively reading over their class/teacher notes. The main points of this video based lesson were to:

1. Make your own study notes and keep them in an organised place (use a display folder)
2. Make notes at the completion of each unit of work. (As making notes months later is not time effective. The notes are likely to be of a lesser quality as much of the topic will be forgotten.)
3. Make their study notes interesting (Use pictures, images, graphs, tables abbreviations and even acronyms)

Printing at School

This school uses a Papercut account system to allow students to pay for their printing and photocopying. Students pay money in (dollar amounts) to the front office and then take their receipt to Mrs Alexander, who adds this amount to their Papercut account. Students print from the library computers and use their student ID cards to release their documents at the library printer. An A4 Black & White pages costs 15 cents while an A4 colour pages costs 50 cents. Students may also photocopy and print double sided and on A3 paper. Students who have paid their school fees have had $10 added to their account for printing. Please ensure that your student:

- Has sufficient money on their account
- Has used the printer to associate their Student ID card with their account
- Does not print at the last minute as computers may not be available for printing
- Asks Mrs Alexander for assistance if they have any printing issues

Large queues form when assessment tasks are due. Print early to avoid the rush!
PLEASE PLAN TO ARRIVE AT SCHOOL ON TIME........

Please ensure that you give yourself ample travel time when catching public transport to arrive at school on time.

Remember that school starts at 8:40am

Please note that the M54 is not a school bus and runs every 10 mins during peak times. The 717w morning school bus service runs from Parramatta Station, Stand-A3 at 7:40am to arrive on time.

Mrs Alexander
Teacher Librarian

Visit our new book section for great Holiday Reading

Please encourage students to rediscover the joy of reading a good book during the holiday break by limiting their computer time. Our eBook collection is available 24/7 via the ePlatform App or the library website .... Happy reading!

Year 12 Careers Seminar Day – Thursday 2nd May

During Sessions 2 and 3, year 12 students will be attending careers seminars to about their career journeys after they graduate from CHS.

Students will head to the Library to hear from guest speakers about the future of the economy, and from local universities, TAFE, private colleges, employment providers, Defence Force and others.

UAC Applications are open from 3rd April

You are able to apply for undergraduate and international as well as Schools Recommendation Schemes, Educational Access Schemes and Equity Scholarships. Ms Sisala will be meeting with all of year 12 in term 2 to map out their plans for further education or employment after their HSC.

Business Cadetship Applications – NOW OPEN

Applications for the Business Cadetships Program opened for Year 12 students on Monday, 4 March.

Cadets combine study at a university of their choice with paid work at UBS, a top ranking global bank.

Apply online at: www.professionalcadets.com.au

ACU Uni Step-up – Paramedicine, Nursing, Midwifery, Exercise, Sport Science, Teaching

Take your first step into uni at ACU. Our Uni Step-Up program is your chance to experience university life by joining us on campus to study a first-year unit while you’re still in Year 11 or Year 12.

To register your interest or get more information, please contact 02 9701 4606.

University of Sydney - Explore Engineering Winter School

18th-19th July

Years: 9–10. Through this two-day intensive workshop on campus you will discover more about the range of disciplines and careers available in engineering. You will experience the latest technologies while participating in hands-on activities, visiting laboratories and industry sites such as Google. Applications open Friday 19th April and places are limited.

Women in Trades Videos

Skills shortages, advances in machine technology and a shift in attitude are just some of the factors that have led to the acceptance and encouragement of women taking part in traditionally ‘male’ trades. Some key industries that now persuade women to get involved are Automotive, Building & Construction, IT, Manufacturing, Engineering, Mining and Rural & Farming.

Open Days and Info Sessions

ACU | Midyear Open Evenings

Monday 27 May | ACU Strathfield Campus

Monday 20 May | ACU North Sydney Campus

Discover our upcoming midyear open evening sessions. Come along and learn about course details, admission pathways and career opportunities – for both undergraduate and postgraduate study. More information about 2019’s Midyear open evenings will be available soon.

AIE Open Day

Saturday 18 May

Discover the courses designed to get you started in game development, 3D animation and visual effects. Sydney, Melbourne Canberra and Adelaide campuses will be opening their doors to visitors eager to find out about upcoming full-time and part-time courses. The day will include presentations on different areas of industry to get into as well as information about AIE full-time and part-time courses and entry requirements. Student work will be on display and our teachers will be available to speak with you one on one about our courses and how you can get into a creative career.

https://aie.edu.au/aie_event/open-day/

Sydney Design School Open Day

Saturday 25 May 10am – 12pm

Level 2, 40 Oxley Street, St Leonards

Bring your friends and family and join us for our Open Day. Immerse yourself in the exciting world of interior design and get creative building your own moodboard. Our Director, Amanda Grace, will be giving a 30 minute presentation at 10.45am covering everything you need to know about our career courses and flexible learning options. To attend, simply register your details below.

YEAR 12 TRIVIA NIGHT 2019

Cumberland High School’s Year 12 Trivia Night is fast approaching!

The event will include fun games, delicious food and a lively auction.

Just a few of the donations we will be auctioning or giving as prizes:

- 18 holes of golf and 2 buggies for 4 people – valued at $590
- $100 dinner voucher and $20 for drinks at The Golden Hawke Restaurant, Ryde/Eastwood Leagues
- 2 x Goldclass tickets and 2 x VMAX tickets from Events Cinemas Parramatta
- Sydney Swans AFL Jersey – signed by the Sydney Swans
- Beauty treatments and products from Rosie’s Beauty, Carlingford Court
- Plus lots more!

The school’s P&C will be supporting us but we also need parental and community support in order to help make this event an even greater success. Support could range from attending this event, running a fund-raising game on the night or donating an item for the auction.

Teams will be capped at 10 people per table and smaller groups will be combined to form teams of 10 on the night. We also encourage participants to dress up and create a theme for your table.

Tickets are $10 and can be purchased in advance (to secure your place) from the CHS administration office or can be purchased at the door on the night.

Thank you in advance for your support and we look forward to seeing you on the night!

Ms Isachsen and Mrs McCubbin – Year 12 Advisor and Assistant
Cumberland High School
